TRUSTEES CAMPUS SECURITY UPDATE

In our on-going efforts to maintain a secure and safe environment for our church family, our Trustees Committee has researched several options to continue to improve the security for our church family and campus. The committee has recently budgeted for a Madison police officer and a Madison police car to be on our campus on Sunday mornings. Also, our Ushers will have their annual training event soon and our security sub-committee will share information and our growing security protocols with them. The Trustees will continue to study other churches' security plans and to investigate and to implement other ways to make our campus safer.
